PPS News

We recently asked parents who came to the school to fill in a questionnaire about their thoughts and feelings about our school. The results were overwhelmingly positive which is really pleasing.

It would appear that the main concern is communication. In order to improve this, we are currently creating a new school website and have a new communication tool starting very soon...

RIP SCHOOP! Parents are telling us they are not getting Schoop messages.

Do we have your correct contact details? We are going to soon start using Text2Parents and Email2Parents via our new website (coming soon). You will **ONLY** receive messages if you have given us your up-to-date details.

Please support us in raising money to provide a range of trips and visitors for our children.

**Don't forget that Breakfast Club is open to all pupils and starts from 8.15am.
Just fill in a form to enable your child to attend.**

Thank you for your continued support. We should have Estyn back this term and we are looking forward to showing them the progress we have made.
