We pride ourselves on the fact that our children demonstrate our school values of:

**KINDNESS**

**HONESTY**

**RESPECT**

**DETERMINATION**

Please look at our Behaviour and Relationships Policy on our school website and let us know your thoughts. This policy outlines what may happen when children don’t follow our school rules and demonstrate our values. It is important that our whole school community understands this document and agrees with our approach.

Cardiff Rugby Community Foundation, in partnership with the WRU are running Fit, Fed, Fun camps throughout the Easter holidays!

These camps are free of charge and open to all between the ages of 6-11, for a fun day of being active. These camps are being run at numerous different locations throughout our region to provide children the opportunity to stay active during in half term, as well as providing breakfast and lunch. Although there will be some rugby based activities, these camps are open to all children, not just those with an interest in rugby, and alternative activities will also be delivered.

**We have had complaints about adults swearing on the school grounds. Please remember that children learn what they live. We discourage children from swearing as it does not align with our school values.**

**Anyone acting in an inappropriate manner on our school grounds may be asked to leave. Please don't put us in that position as we pride ourselves in developing positive relationships with all our school community.**

**Thank you for your continued support,**

**Mrs E. Prescott**
