This is the last week of term. All children will finish on Friday 18th July

At the recent Estyn inspection, the inspection team agreed that the school has made sufficient progress to be REMOVED FROM THE CATEGORY OF SPECIAL MEASURES. This a superb result and we are very proud of having done it after only 3 revisits and within 2 years. A massive thank you to all the staff and governors for their hard work. But also, a massive thanks to our fantastic pupils and parents! #TeamPentrebane

As you know, Mrs Lewis and Mrs Llewellyn leave us this week. We have also recently found out that Miss Simpkins is also leaving us. Miss Simpkins is going to study for a Masters degree in Occupational Therapy and we wish her all the very best.

PARENT GOVERNOR NEEDED

Governors play a vital role in supporting and challenging our school. Governors have played a huge role in our strides forward over the past couple of years. We will be sending ballot papers out in September. PLEASE consider putting yourself forward for this important role. Anyone can do and it is a very interesting role.

Caring for a Child?

The Common Childhood Illness Booklet is here to help. It provides:

- Clear advice on managing common illnesses.
- Information on how to care for your child including when, and how, to seek medical help.
- Insight on more serious illnesses including what to look out for.
- An overview of key local services.

The booklet is available in the following 10 languages:

✓English	✓Welsh	✓Albanian	✓Amharic
✓Arabic	✓Dari	✓Farsi	✓Kurdish
✓Pashto	✓Tigrinya		

To access the booklet, in any of the languages detailed above, please scan the following QR code:

We would love to hear your feedback on the booklet!
