

Dear Parents/ Carers,

It has been lovely to welcome all the children back to Pentrebane Primary School this week. I met many of them before and during the holiday in my visits to the school and I am now enjoying getting to know them better.

Firstly, I would like to thank Mrs Duggan for her commitment and years of service to the school. You will be aware that Mrs Duggan retired at the end of August and I am delighted to have taken on the role of Headteacher. I was previously Deputy Headteacher of Gabalfa Primary School for eleven years during which I was seconded to support a school in Special Measures. During my time at Gabalfa I focussed strongly on pupils' academic progress as well as their wellbeing needs and organised many successful family events. I am passionate about children reaching their full potential and igniting a spark of ambition at a young age.

I am looking forward to working closely with children, parents, carers, staff, governors and the local community to continue to move the school forward and address the recommendations from the Estyn report.

Please find attached to this letter the answers to some questions you may have about the recent Estyn report. I would like to invite you to meet me in person in the school hall on Thursday 14th September at 2.30pm. I look forward to seeing you all there.

Our communication channels are changing! Look out for more information on X (Twitter) @PentrebanePrm, join our Pentrebane Primary School Facebook Page and make sure you have downloaded Schoop. (id 5539)

Yours faithfully,

Mrs E. Prescott
